

Luxury. Service. Passion

My Pacific Coast Highway Road Trip Map

PCH ROAD TRIP TIP

Instead of including Meadowood in this itinerary, I recommend saving it for its own trip. With so much to experience in Napa Valley—luxury accommodations, world-class dining, and endless vineyards—it's best enjoyed at a slower pace. For this road trip, I suggest heading straight from San Francisco to Half Moon Bay and continuing down the coast to fully embrace the beauty of the California shoreline.
